## TLC Welcomes You

If you are not a member of TLC, we invite and urge you to join immediately. We need your involvement, your input and participation. If you do not have the time, it's especially important to add your name to our members list and your dues to cover investment in the future of logging.

We acknowledge the crucial support of TFA, industry dealers, insurance agencies and the purchasers of logging services - from woodyards and chipmills to sawmills and major manufacturers. We couldn't accomplish much working alone, but here are some things that would not have happened without TLC:

- Information assistance and notification for SFI workshops and online training.
- Publication of TEXAS LOGGER magazine.
- Forestry tags which may eliminate need for apportionment with neighboring states.
- Open door policy, good relations between TLC & TFA, TFS, AF & PA, & TMTA.
- Improving relations with most County officials, and with State & Federal Agencies.
- Partial sales tax exemption on price of woods equipment, reaching 100% on 1/01/08.
- HB 2469, Truck Safety law allowing full loads on shorter lengths.
- SB 977, Comprehensive Benefits for the Forestry Community.

## Join the Texas Logging Council Today!

Here's what a membership will do for you:

- You'll become a part of a special group that will lobby on your behalf.
