

Practical Guide to Managing Game Animals What Forest Landowners Need to Know

Friday, August 26, 2011 / Arthur Temple College of Forestry & Agriculture,
Stephen F. Austin State University
East College at Raguet Street, Nacogdoches, Texas
Time: 9am – 2:00pm

About the Program

The comprehensive program will provide knowledge and techniques for management of wildlife on forestland. Professionals in the field of wildlife will present a better understanding of issues; best practices; and practical guidance. There will be ample time for discussion and questions.

Topics

- Managing for Quail
- Bringing Wild Turkeys on your land
- Food Plots
- White-tailed Deer Management & Research
- Using Herbicides to manage wildlife habitat
- Developing a wildlife management plan

Who Should Attend?

Forest landowners, consultants, foresters, land managers and anyone interested in quality wildlife management.

Continuing Education Credits

CFE for foresters are pending.

4.0 hours of continuing education under the Texas Pro Logger program

Full attendance is mandatory in order to receive credit.

Cost

\$25 per person (includes lunch)

ADVANCE REGISTRATION AND PAYMENT IS REQUIRED
