

Your membership  
with the

# Texas Forestry Association

has many rewards

One of the rewards of a TFA membership is being part of a close-knit community that takes care of one another.

TFA offers incentives for our neighbors to get involved when it comes to taking care of our members.

When one of our neighbors reports illegal activity on property owned or leased by one of our members, TFA will offer up to \$1,000 for information leading to the conviction of the person or persons involved.

# **TIMBER THEFT**

Many timber theft cases involve absentee landowners who are more vulnerable because they aren't around to protect their property. In these cases, the thief is often long gone by the time the crime is discovered.

**To report timber theft,  
call 1-800-364-3470  
or the local sheriff's office.**

---

# **ARSON**

Arson and other uncontrolled wildland fires pose a serious threat to lives, property, and natural resources in rural and sub-urban communities.

Preventing and stopping wildland arsonists are important steps in protecting lives, minimizing property loss and providing for firefighter safety. To do this requires an effort by property owners, fire service organizations, and local law enforcement and government leaders.

**To report wildfire, call 911 immediately.  
To report other arson,  
call 1-800-364-3470  
or the local sheriff's office.**
