Branching Out *Online*

a seminar for forest landowners

About the Program

Texas Forestry Association's Texas Forest Landowners Council will conduct a **virtual** seminar for forest landowners on Friday, August 14 from 9am – Noon. Several informative topics will be presented - what a great opportunity to learn more about enriching your working forests! There will be ample time for Q&A in the chat room.

[Click here to register.](#)

Who should attend?

Landowners, foresters, land managers, loggers and anyone interested in learning.

Presentations

- **Intergenerational Land Transfers** by Stephanie Bradley Fryer, PLLC
- **East Texas Species of Concern** by Lauren K. Borland and Colin McDonald, Texas Comptroller of Public Accounts
- **Forestry Techniques for Wildlife** by Chris Adams, Vision Forestry and Terry Anderson, Conservation Equity Partners
- **Legislative Update** by Rob Hughes, Executive Director, Texas Forestry Association
- **Markets**
